Located in the heart of London's Soho Soho district, under the Firmdale Hotel Group Ham Yard Hotel, who is also the designer of the hotel owners and space Kit Kemp husband and wife team Tim Kemp and most ambitious work to date, include hotels, restaurants, bars apartments with resort patterns, the Urban Village is the word most vividly, came all the way from Piccadilly ring with "vista" to describe it is nothing but re-fit.

Self repeated Kemp never appear in the dictionary, Ham Yard Hotel in 91 rooms, 24 apartments are to follow the same design, but the details of each room has its advantages - Zhexiang psychedelic totem and contemporary art in black and white in a quiet tone outbreak that car is East Prints & Cuzhen is navy blue linen background color gentle coating.

In addition to smiling staff, the public space is almost not smell hotel "hotel" atmosphere, you can beside the fire in the library to read quietly and to be comfortable in a small living room (drawing room) in the enjoy light refreshments, the atmosphere here is like a private club, even better. Hotel top floor roof garden (planted with herbs into the dish can plant), and in Texas to create a retro bowling alley is to let Ham Yard Hotel distinct plus points. www.firmdalehotels.com

Reshape the meaning of contemporary aesthetics classic Roman-style G-Rough ▶ [Click here to see more beauties](#)

G-Rough located near the Piazza Navona (Piazza Navona), the 16th-century townhouse (two, three-story townhouse-style buildings) converted, known as Rome's first luxurious texture of both aesthetics and contemporary trends inn. This building is only 10 room hotel designed by the late hotelier Emanuele Garosci (Italy first among PalazzinaG inn designed by a Philip Stark, just as he's) and specialized design work wishlists 20th century collectors, while Rome is also known entrepreneurs together to create Gabriele Salini.

G-Rough's "G" taken place in Venice sister as PalazzinaG, "Rough" is a reflection of a sense of unfinished hotel interiors deliberately created - the bare walls, stray fragments encoding like decoration, in some places even deliberately leave the pencil draft. Indoor furniture as a series of 1930, 40, 50 years of Italian designer classics, including Ico Parisi and Giò Ponti, with Sicilian design company Leftover produced, retention of retro looks and functionally major upgrade of contemporary works. G-Rough is unusual in that most hotels in the city with Baroque aesthetics respect, it was not by pretentious boho style make-defined classics with more youthful interpretation, but also gives you a comfortable like home comfort. www.g-rough.com
