

MEET DAVID ROCKWELL, DESIGNER OF THE EDIFON HOTEL

by [unreadable]

David Rockwell is the founder and principal of the New York City-based design firm Rockwell Group. He has worked on a wide range of projects, from hotels and restaurants to retail stores and corporate offices. He is known for his bold and innovative designs, often incorporating industrial and modernist influences. He has received numerous awards and accolades for his work, including the AIAA Award for Excellence in Architecture and the AIAA Award for Excellence in Design.
