Aynhoe Park GLOUCESTERSHIRE

From the one-of-a-kind art and taxidermy to the bridal suite designed by Matthew Williamson, this is a terrifically fun Cotswolds pad with a deer park. You'll definitely want to make a weekend of it! Take your pick of rooms for the ceremony, fire up a BBQ on the lawns and have your first dance in the sculpture-lined Orangery. aynhoe.org.uk

The London Edition FITZROVIA, LONDON

THESE ANTIQUE-ADORNED VENUES ARE NATIONAL TREASURES

Brunswick House VAUXHALL, LONDON

An unlikely landmark on Vauxhall roundabout, what began solely as a LASSCO salvage yard within a Georgian mansion has evolved into a unique events space and an excellent restaurant with celebrated chef Jackson Boxer at the helm. Book a room or take over the entire building – and think of all the cool curiosities you can use as props in the pictures. lassco.co.uk

The Sculpture Gallery at Woburn Abbey BEDFORDSHIRE

Not many couples can say they've wed in a stately sculpture gallery, complete with grand oil paintings and marble pillars. Outside, the surroundings are also pretty special, with statues dotted around rose gardens and a tranquil lake. woburnweddings.co.uk
